Giving Tuesday Now

Today is *Giving Tuesday Now* and we know that one of the primary reasons people give to SFCASA is because they know an advocate like yourself and want to support you. You can help by sharing these [facebook](#) and [Linkedln](#) posts with your networks.

We are Inspired by You!

Every day, we hear about how you are supporting your youth in creative and meaningful ways. As we continue to shelter in place, we want to encourage you to keep up the great work. Check in with your Case Supervisor if you have any questions!

Here are some ways you can continue to advocate.

- Send your youth a care package with financial support from SFCASA's Sunshine Fund.
- Access our COVID-19 Resource Guide that is updated on a daily basis and includes resources to support basic needs such as food and health to fun and engaging activities like virtual classes and dance parties!
- Check in with your youth about their current technology set-up and if it supports their distance learning and community connection needs.

Updated Court Report Template

We are excited to share that as of last week, we have resumed our court e-filing process! We have also updated our CASA Court Report Template and Advocate Link (AL) to reflect some adjustments to our Advocacy Areas. Our goal is to better reflect the experience of our young people with the court.
