

Back to School Survey!

There's still time to take the back to school survey! If you work with a youth in grades **K-12**, take 2 minutes to fill out our [SFCASA Back to School Survey](#). This information will be critical for how you tailor your education advocacy, especially with distance learning.

Upcoming CE Opportunity

We have an upcoming Continuing Education Opportunity with Dr. Natalia Estassi!

The Importance of Self-Care and Self-Awareness during COVID-19 for CASAs on Monday, September 28, 2020 at 6pm-9pm on Zoom.

RSVP by emailing our Training Specialist at training@sfcasa.org.

Recruiting for our Next CASA Training!

Become a CASA online!

Virtual training starts October 6th. Space is limited, sign up for an info session today! sfcasa.org/volunteer

We are currently recruiting for our upcoming virtual training in October. Please share the following post on social media.

Interested in becoming a CASA? Ask me about it! There's never been a better time to sign up. Attend a virtual info session and complete the training totally online! More information at sfcasa.org/volunteer.

Masks Available for CASAs and Youth

We have cloth masks available for youth and their families donated to us by the Seamsters Union. Please contact your **Case Supervisor** to request masks and

School Supply Distribution

City Youth Now is distributing school supplies on Mondays and Wednesdays from 10-2 pm. Please email [Jocelynn Esteban](mailto:Jocelynn.Esteban)

note that we may advise a maximum per advocate.

with your youth's first and last name, age, grade, ethnicity and schedule a time to pick up supplies.

California Youth Connection

Are you looking for an additional opportunity to support youth in foster care?

[California Youth Connection](#) is recruiting new members through their unique youth-adult partnership that supports and develops young leaders ages 14-24 through community organizing, youth engagement, and advocacy. [Click here](#) for more details and application.

SF YouthWorks Internship Opportunities

[San Francisco YouthWorks](#) is a youth employment program that provides paid internship opportunities in various SF city departments for youth in 11-12th grade. This year, SF YouthWorks is prioritizing employment and job training for youth who experience barriers to employment in San Francisco. More information can be found on the flyer in [English](#) and [Spanish](#). [Applications](#) are due by Friday, September 18, 2020.

Check out our [Academic and Employment Opportunities page](#) to learn about additional organizations and programs around the Bay Area!

Community Learning Hubs

DCYF and the SF Recreation and Parks Department are implementing Community Learning Hubs to support children, youth, and families during the school year. These Learning Hubs will provide low-income youth with a safe, neighborhood-based place for distance learning close to home. Learn more about the Hubs [here](#).
